What is Konect?

Konect is an innovative, simple to use video streaming and recording service that helps improve customer experiences, communications and engagement. Property managers can connect to their tenants through a secure video stream, upon which they can remotely and safely access a property or area, allowing them to validate repairs, assist in maintenance completion, or complete an inspection.

A Konect video stream consists of two-way audio between a property manager and a tenant, and one-way video allowing the property manager to view a high-quality video connection, with the ability to capture screenshots when needed.

How do I register my Konect account?

1. Visit www.konect.com.au
2. Click 'Login' from the top menu bar, then click 'Sign up here'.

The screenshot shows the Konect website's login page. The header includes the 'KONECT' logo and 'Login Register' links. The main heading is 'Login'. The form contains input fields for 'Email Address' and 'Password', a 'Remember me' checkbox, and a blue 'Login' button. A link for 'Sign up here' is located below the button. At the bottom, there is a 'Terms & Conditions' link and a small URL 'https://my.konect.com.au/registration'.

3. Please fill in your **Company Details** (Required fields are indicated with an *).

- Industry:** Choose the 'Real Estate' industry type.
- Business Number:** Provide your ABN/NZBN
- Company Name:** Provide your agency's business name.
- Company Size:** Choose the number of properties that best suits your agency.
- Trust Software Used:** List the trust system your agency uses (We partner with many trust software providers and are using the information to work with these partners to maximise the benefits of Konect, and work toward enhanced integrations for our mutual clients).
