

KONECT

Registration Guide

Real Estate

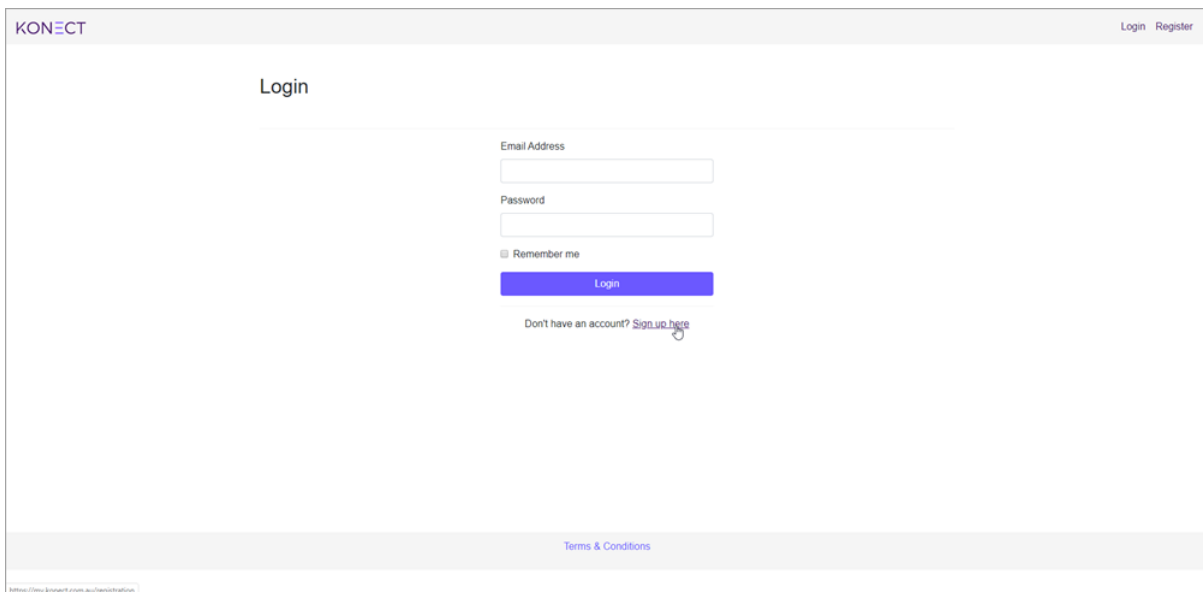

What is Konect?

Konect is an innovative, simple to use video streaming and recording service that helps improve customer experiences, communications and engagement. Property managers can connect to their tenants through a secure video stream, upon which they can remotely and safely access a property or area, allowing them to validate repairs, assist in maintenance completion, or complete an inspection.

A Konect video stream consists of two-way audio between a property manager and a tenant, and one-way video allowing the property manager to view a high-quality video connection, with the ability to capture screenshots when needed.

How do I register my Konect account?

1. Visit www.konect.com.au
2. Click 'Login' from the top menu bar, then click 'Sign up here'.

3. Please fill in your **Company Details** (Required fields are indicated with an *).

- Industry:** Choose the 'Real Estate' industry type.
- Business Number:** Provide your ABN/NZBN
- Company Name:** Provide your agency's business name.
- Company Size:** Choose the number of properties that best suits your agency.
- Trust Software Used:** List the trust system your agency uses (We partner with many trust software providers and are using the information to work with these partners to maximise the benefits of Konect, and work toward enhanced integrations for our mutual clients).

5. Please fill in your **Address Details** (Required fields are indicated with an *).

6. Create a **Password** for your account, then confirm the password.

7. Choose an account **Package**.

The screenshot displays a software package selection interface. At the top, there are two 'month' labels above a row of three buttons: a green 'Selected' button and two blue 'Select' buttons. Below this is the 'Package' section, which includes a 'Monthly' button and an 'Annually' button. The main content is a table with four columns representing different packages: Basic, Standard, Premium, and Enterprise. Each column lists the price, user limits, session duration, storage, and support options. The Premium package is highlighted with a green 'Selected' button. Below the package table is the 'Additional Storage' section, which includes a note about long-term storage and a table with three columns: 500GB, 1TB, and 3TB. The 1TB option is highlighted with a green 'Selected' button.

Basic	Standard	Premium	Enterprise
\$150 per annum or \$14.95 per month	\$200 per annum or \$19.95 per month	\$250 per annum or \$24.95 per month	Contact For more information
